

INNOVAC23

- Event idea – to make this a grand tech event there will be a lot of things like
 - ❖ Activities –
 - ✚ Blind coding : Keep the screen off and ask the contestant to code a program.
 - ✚ Googler : Ask contestant to Google search some of the random things.
 - ✚ Personal Bot : As you know currently bots are into tech trend, ask your contestant to build a bot that solves their or someone else personal problem.
 - ✚ Lecture Series : Invite guest to speak on trending tech innovation.
 - ✚ Programmers Date : Ask a Female coder to partner with a Male Programmer and go on a programming date, which will be a over night Hackathon.
 - ❖ Food arrangement – for all the students who will come and participate in this event , there will be some arrangement of food also . so they can enjoy their day.
 - ❖ Interaction with coders – This will be a unique task . Here will try to invite some most popular coders who have done something unique in their life or journey of coding. We provide a opportunity to all participants to interact with them. And this will be great chance for students to learn and to set a target for their life.
- VISION –
 - ❖ The vision of this is to encourage the students towards this field and to provide a platform where they can show their skill.

- ❖ Also this event will help to boost the confidence of students who wants to pursue these skill as their future.

➤ PEOPLE NEEDED –

- ❖ There will be around 10 student who will be managing the whole conduction of the innovac23.
- ❖ 2-3 students will be conducting the particular event that will be organized.
- ❖ so total 20 student will be needed to conduct the whole event.

➤ VENUE –

- ❖ We are going to invite people from all over the India . so definitely we need a big hall to organize the whole event.
- ❖ It depends how many student have registered for this event.
- ❖ If the number of student will be more than 1500 then I will prefer golden jubilee hall else burn hall will be fine.

➤ PUBLICITY –

- ❖ No doubt to conduct this event successfully we will be some funds that will be provided by sponsors.
- ❖ Invitation will be sent to different colleges for the participants to come and participating in our event.
- ❖ All the information regarding this event will be spread through the CR and we will try to spread this information at most popular place in the campus.

➤ CONCLUSION –

- ❖ All the member of this event will get the best experience and will learn a lot of thing in the field of tech and otherwise also.

Also all the student who will participate in this event will have a chance to show their skill.
